1st Annual STEM College & Career Fair

South San Francisco Convention Center
Sunday, November 6, 2016
11:00 am-2:00 pm

Students and their families are welcome to attend the 1st annual STEM College & Career Fair. Attendees will be able to get specific information from colleges and professionals about what it means to study science, technology, engineering, and math in college. For more information, visit http://www.nacacnet.org/college-fairs/STEM/Pages/default.aspx

Meet up with a Dentist
All Students Grades 9-12 Welcome

Wednesday, November 9
Access Period
DVHS Library

Dr. Caroline Hocking has degrees from Harvard, Columbia, and Carnegie Mellon. She is excited to share what it’s like to be an orthodontist and what her experience has been through school and starting a practice. Please sign up in the College & Career Center or in the “College Visits” section on Naviance.

November Highlights

November Parent College Information Session

Parents of DVHS students are invited to attend the November Parent College Information Session. This month we will hear from Allison Yee, Assistant Director of Undergraduate Admissions at UC Berkeley, and former Admissions Officer at Dominican University, to learn how admissions works within a public and private university. Parents from all high school grade levels are welcome to attend!

Monday, Nov. 14
4-5 pm
DVHS Library

Please RSVP by Friday, Nov. 11 to https://goo.gl/forms/CYXgyd3XK6bzannv1

Article of the Month

“Hone the Top 5 Soft Skills Every College Student Needs”
by Bradford Holmes, Contributor for U.S. News & World Report
www.usnews.com/education

Ms. Cranmer’s College Corner:

Trinity University, San Antonio, TX
2,300 undergraduates

Distinguishing Factors:
- Average Class Size: 20 students
- #1 Best Undergraduate Teaching of the Regional Universities West
- #25 Best Undergraduate Engineering Programs
- Trinity's academic program is a distinctive hybrid of the traditional liberal arts and sciences along with pre-professional programs, professional programs, and selected graduate degrees.

Best for a student who:
- wants a rigorous curriculum with a hybrid of STEM and humanities
- connects real-world experiences with education, research, and community involvement
- enjoys volunteering- 80% involved in Trinity-sponsored community service
- focuses on global understanding, experiential learning, problem-solving, and international opportunities

Volunteer/Job Board:
Please visit DVHS College & Career Center website for details on each post.
