The History of Dougherty Valley High School
Established 2007
The beginning of excellence...

On August 27, 2007, Dougherty Valley High School opened its doors to 500 9th and 10th grade students. The school represents a major ongoing partnership between the San Ramon Valley Unified School District and the City of San Ramon. This collaboration between our school and the community has made DVHS both a top quality academic institution and public space for the Dougherty Valley. Over thirteen years ago, a group of community members determined the school’s colors, navy blue, Columbia blue and silver, and selected the mascot, the Wildcat. Today, the school colors and the Wildcat represent the tenacity and traditions in excellence that make Dougherty Valley High School an exemplary high school. Beginning with only two grade levels in 2007, the school now serves grades 9 – 12 and has over 3,300 students. We have over 160 clubs and 26 athletic teams competing at all three levels.

The Class of 2020 is our eleventh graduating class. One of the first tasks for our students, parents, and staff was developing the academic and extracurricular traditions of our school. The first five graduating classes began the legacy with stellar academic performances. Since then, we gained stature by being recognized as one of the top high schools in the United States and a Best High School in California by U.S. News & World Report. We competed in state, national, and international competitions in athletics, debate, science, robotics, and a variety of other activities. This year, our students have earned over $2.4 million dollars in scholarships for the graduating senior class. The tradition of academic excellence continues!

The faculty and staff will remember the Class of 2020 with great fondness. Through their leadership and dedication, these senior students embraced their school and will leave their legacy forever. Graduates, you are – and will forever be – a Wildcat!

Evan Powell, Principal
Our Administration would like to thank our parents, students, staff, and teachers for a wonderful school year.

We wish all our graduates a successful and prosperous next chapter in their lives.

Best of luck to the Class of 2020!
