All Students

Counselors will be meeting with 9th, 10th, and 11th grade students throughout the month of April to begin planning for the 2014-2015 school year. Students should have received a copy of their unofficial transcript in March. If there are any questions or concerns, students should see their counselors.

Please note that May 1st is the last day for students to make any changes to their 2014-2015 class schedules. Students can either email or see their counselor to make these changes. After May 1st, any changes will be added to a waitlist.

Summer school will be held at California High School this summer. Their address is 9870 Broadmoor Drive. Counselors will give applications to students who qualify for summer school individually after the Spring break. San Ramon Valley Unified School District summer school is for remediation only. The summer school dates are as follows:

Session 1: June 23-July 11 with July 4th off  8:00-12:40 pm
Session 2: July 14-July 31   8:00-12:40 pm

Students need to continue to keep their grades up (C or better to be eligible for a four year college). Please check School Loop often, take advantage of ACCESS periods, and communicate with teachers.

Seniors

Please check individual college websites for college admission updates and decisions. Most colleges have a deadline for you to accept their offer. Don’t forget to submit your housing plans to your specific college and pay attention to ALL deadlines.

Continue to check Naviance Family Connection and School Loop for scholarship opportunities. When we return from Spring Break, your student should complete the Scholarship survey if they have earned a scholarship or award this year. We will be using the results from this survey to honor seniors at Senior Awards. Senior Awards is scheduled for May 22, 2014 at 8:30 AM; if your student earned an award this year, we will send an invitation to your home.
**Universitywide Analytical Writing Placement Examination (AWPE)**- All University of California student residents must fulfill the Entry Level Writing Requirement. The exam will be administered on **Saturday, May 10**th at testing centers throughout the state. Students may take the AWPE only once and it is for students who have been admitted for Fall 2014 and have not satisfied the Entry Level Writing Requirement by other means. More information can be found at [http://www.ucop.edu/elwr](http://www.ucop.edu/elwr).

Students who have been admitted to the California State University system or the community college system should check to see that they have fulfilled the EPT and the ELM requirements. If they have not, they need to schedule a placement test as soon as possible. Please check with individual colleges for more information.

If you are planning on attending DVC, be sure to complete an application online and schedule your assessment tests and orientation dates. If you have questions, please visit the College & Career Center. If you still have questions about the enrollment process at DVC, plan to attend an information session at DVC. Evening enrollment presentations will be held on the Pleasant Hill campus on Thursday, April 17th at 6pm in the Trophy Room. Parents are also welcome to attend. Attendees should register online at [www.dvc.edu/welcomecenter](http://www.dvc.edu/welcomecenter).

If you change your schedule for 2nd semester, drop a course, or earn a D or F after you have submitted your college applications, please contact each one of your colleges to inform them of the change. If you applied to a UC school, you must notify them by email or mail. Include your name, UC application ID, your signature, and the reason for the change in your academic record. Mail to:

**Juniors**

Continue working on your surveys in Naviance Family Connection and visit the College & Career Center for any upcoming college rep visits. If you are having trouble logging into Naviance Family Connection, please see your counselor.

Juniors should also refer to the post high school checklist in the document library in Naviance Family Connection to make sure that they are preparing for their post high school plans.

Sign up for the SATs and ACTs if you have not already done so. There are two more SATs before the school year is over and one more ACT to take. Check the CollegeBoard and ACT websites for deadlines and registration information.
